

UF Ortho PMR and Research Divisions present at the Annual AAPMR Assembly on Function Through Exercise

Published: Nov 29, 2014

Category: [News](#) [1]

The Divisions of Physical Medicine and Research had a significant presence at the Annual Assembly of the The American Academy of Physical Medicine and Rehabilitation. This year's assembly took place in San Diego, California on November 13-14, 2014. The highlight of the assembly was "A focus of function through exercise."

[Dr. Kevin Vincent, MD, PhD](#) [2], presented during an opening conference sports medicine symposium entitled, "Going the distance: Understanding marathon and ultramarathon runners; Musculoskeletal considerations for the aging runner." He then later presented in a workshop entitled, "Evaluation of core strength."

[Dr. Jason Zaremski, MD](#) [3] presented in a workshop entitled, "Overhead throwers: An interactive workshop on history taking, physical examination, and return to play in this unique population."

Several research projects and posters were presented by [Drs. Heather Vincent](#) [4], [Kevin Vincent](#) [2], [Jason Zaremski](#) [3], and Cong Chen, MS, and Laura Ann Zdziarski, ATC, in lacrosse and running motion and injury risk.
