[Dr. Heather Vincent](#) [2], Trevor Leavitt, Cong Chen and Joseph Wasser worked with the [Atlanta Blaze Major League Lacrosse](#) [3] (MLL) team in Atlanta on May 13, 2016. The research team worked with players to develop the first ever on-the-field motion assessment of shooting and throwing motion in different player positions. This pro team and the UF Sports Performance Center are creating new trails in the area of lacrosse science. New data to be presented at the upcoming [Annual Meeting of the American College of Sports Medicine](#) [4] in Boston, Massachusetts, on May 31- June 4.
